Call for input for first CEEP Feedback to Commission proposal on CAP reform:

Within the CEEP Water Task Force, Dieter Staat very kindly proposed a [first draft CEEP Feedback to the Commission proposal on the future Common Agricultural Policy](#).

Please feel warmly invited to send your concrete proposals in track changes directly in the text to Maxime Staelens (maxime.staelens@ceep.eu) in the CEEP General Secretariat by Friday, 6 July 2018, CoB at the latest.

CEEP Key messages on the PSI Directive review:

For your information, please find hereafter the final version of the [CEEP Key messages on the PSI Directive review](#) that will be the basis for the CEEP work on proposals for amendments in the next weeks. I would like to thank, once again, all members who very actively contributed to the drafting process.

Farewell

Last, but definitely not least, I would like to seize the opportunity to thank you very warmly for the past four years of excellent cooperation in CEEP. As you might have noted, this was my last week in CEEP (from 1 July onwards, I will work for BDEW with my new email address johannes.imminger@bdew.de). Therefore, I would like to wish you all the best, health and success in all your future projects, both professionally and personally.

On a temporary basis and until the appointment of my successor, please contact Maxime Staelens (maxime.staelens@ceep.eu) in the CEEP General Secretariat in order to follow-up any pendings/urgent matters regarding the CEEP Sustainability Board and its related Task Forces.

Once again all the best and kindest regards,
Johannes Imminger
