**CORONERS' CIRCULAR No 57**

Dear Sir/Madam

The joint secretariat of the JNC for Coroners met on 6 October to explore the potential for joint working on a job evaluation exercise to inform discussions on the national determination of pay for the coroner roles.

A further meeting has already been scheduled to take place next week and we will keep you updated on progress with these ongoing discussions.

Yours faithfully

**SIMON PANNELL  
JENNIFER LEEMING**
