Postponement of Local Authority Elections

The Government have announced that elections scheduled for 7th May will be postponed for 29 councils, including that for City of Lincoln Council. The intention is to release capacity for councils to deliver LGR, as well as addressing concerns regarding the cost of holding elections for councils that will soon cease to exist. Legislation will be brought forward to enable the postponement for a period of one year.

Road conditions in England to March 2026

This week DfT have released official statistics into the road conditions in England to March 2025. This annual release presents information on the condition of roads in England, covering surface condition, skidding resistance and highway maintenance treatments and expenditure.

Automated survey machines and visual surveys are used by local authorities and National Highways (NH) to monitor the condition of the road surface.

New Vision for Water White Paper

Government have recently launched the Water White Paper which outlines plans to reform the water sector and the wider water system to deliver:

- safe and secure water supplies
- a protected and enhanced environment
- fair outcomes for customers and investors

It sets out how these changes will create a more efficient and integrated system.

EMC Learning and Development Events

Supporting leadership and management development needs in the lead up to LGR is a key priority and EMC are providing a range of ILM accredited courses to facilitate this. We will be advertising further ILM sessions in the next couple of months.

- [ILM3 Award in Leadership and Management - Cohort 1 - Starting 4 February 2026](#)
- [ILM3 Award in Leadership and Management - Cohort 2 - Starting 12 March 2026](#)

This is a 6-day programme designed for those currently managing or aspiring to lead multidisciplinary teams, particularly within the context of local government, with cross-functional collaboration. It is ideally suited to officers and managers who work through influence and partnerships to deliver outcomes.

Have we got the Energy? Understanding the decisions that will shape our energy future

EMC is hosting a focused session for senior officers and councillors to provide a timely overview of the national and regional energy policy to support your planning, strategy and place-based work. This session will offer practical insight to support councillors to effectively scrutinise major infrastructure and planning decisions, by providing a clear, non-technical introduction to energy systems, markets, national policy and regional energy strategic planning.

The event will take place on 19th March 2026 from 10.00am-1pm at Devonshire Place in Leicester with only 25 places left!
