Follow-up to CEEP Water Task Force meeting with Rapporteur Michel Dantin MEP

Communication sent to members of the CEEP Water Task Force – 8 June 2018 :

Following this Tuesday's Water Task Force meeting with Michel Dantin MEP, Rapporteur on the Drinking Water Directive review within the European Parliament's ENVI Committee, I would like to forward you the following documents that might interest you:

- [Draft minutes](#) by Davide Scaglione, Task Force General Rapporteur, whom I would like to thank very much for kindly drafting them so quickly.

- [Presentation](#) on the comparison of the Dantin report and CEEP's proposals for amendments by Wennemar Cramer, CEEP Expert in the Commission's DWD Expert Group, whom I would like to thank, once again, very much for the excellent overview that he prepared on behalf of the Task Force.

- [Summary](#) of yesterday's exchange of views in the European Parliament's ENVI Committee by Jos van den Akker, whom I would like to thank very much for this great overview of MEP's positions as well as his kind proposal to make it available to all Task Force members.

Draft agenda for CEEP Environment Task Force meeting on 21 June 2018

Communication sent to members of the CEEP Environment Task Force : 7 June 2018 :

As you might already have noted, the **next CEEP Environment Task Force will take place on Thursday, 21 June 2018, from 2.30 pm to 5.30 pm** at CEEP premises in Brussels.

Mr Paulo Lemos from the Commission's DG Environment Unit B.1. (Sustainable Production, Products and Consumption) will join the meeting (at 4.00 pm) in order to discuss with us the recent proposals on [single-use plastics](#) as well as the next steps in relation to the Commission's Plastics Strategy.

Please find hereafter the [draft agenda](#) as well as the [official invitation](#). Please inform me about your participation by the end of next week at the latest.

Please also find hereafter an overview of the recent Commission [legislative proposals](#) on the future of food and farming that are supposed to reform the Common Agricultural Policy (CAP). The Task Force meeting will allow a contribution of the Environment Task Force to the Water Task Force's work on this issue.

Moreover, on behalf of Marianne Haugland, I would like to forward you a [summary](#) in English of a new report for the Norwegian Environmental Agency on EPR on fishery equipment.

Should you have any question or remark, please do not hesitate to contact me.
