- **Eversheds Sutherland : E-briefings, Updates and Conferences**

REMINDER: CEEP Environment Task Force on 8 June

Communication sent to members of the CEEP Environment Task Force (6/7/2017):

As already announced, the **next CEEP Environment Task Force meeting will take place on 8 June, from 1.00 to 4.00 pm**. Please note that it will be held **at EDF offices, Avenue des Arts 53 (4th floor), 1000 Brussels**.

Please find hereafter the [official invitation](#), the [draft agenda](#) as well as the [draft minutes](#).

For security reasons, if you haven't done so yet, please confirm your participation as soon as possible. Thank you in advance.

As you might already have noted from my previous emails, we are delighted that **Ms Sarah Nelen, Head of the Unit "Waste Management and Secondary Raw Materials" at the Commission's DG Environment, will participate in this meeting**. Given Ms Nelen's important role within the European Commission's activities not only in relation with the EU waste legislation, but also many other issues related to the Circular Economy, we hope that you will all be able to participate in this meeting in big numbers. Please note that Ms Nelen will join our meeting already at 1.30 pm.

Looking forward to meeting you all this Thursday,
Kind regards,

Johannes IMMINGER, Senior Policy Officer Sustainability

REMINDER: CEEP Water Task Force meeting this Friday

Communication sent to members of the CEEP Water Task Force (7/6/2017):

As already announced, the **next CEEP Water Task Force meeting will take place on Friday, 9 June 2017, from 10.00 am to 1.00 pm** at CEEP offices. Please find hereafter again the [official invitation](#), the [meeting's draft agenda](#) as well as the [draft minutes](#) of the last one, kindly drafted by Mr Maurizio Gorla, General Rapporteur. For logistical reasons, if you haven't done so yet, please confirm your participation as soon as possible. Thank you in advance.

We are delighted that Ms Els De Roeck, Team Leader for Water Industry at Unit C.2. "Marine Environment and Water industry" at the Commission's DG Environment, will participate in our meeting. As already announced in my previous message, the meeting will be the opportunity to discuss both the upcoming review of the Drinking Water Directive and the issue of investment in water infrastructure. In order to best prepare the meeting, Michele Falcone, Chair of the Task Force, very kindly prepared a list of [possible questions for the debate](#) with Ms De Roeck, having in mind that all participants will be of course be able to integrate questions during the discussion and that these questions are supposed to allow a fruitful exchange of views with the Commission representative, showing a strong, but constructive CEEP position.

Moreover, on behalf of Michele Falcone, I would like to send you an [overview of Utilitalia](#) that highlights recent developments in the European debate on water reuse. As you may have seen on the draft agenda, the Task Force meeting will allow us to discuss this point further, including the question who would be able and interested to represent CEEP at the next Commission Ad-hoc Working Group meeting on 23 June that is also mentioned in the overview. Please do not hesitate to bring forward proposals at the Task Force meeting, should this be possible for you.

On behalf of Michele Falcone, I also would like to forward you further information that we have now received from the European Commission regarding the Circular Economy Stakeholder Conference on last 9 and 10 March. Please find hereafter an overview of the [conference highlights](#) as well as a summary of the debates on the development of a [Circular Economy Stakeholder Platform](#).

Should you have any questions, please do not hesitate to contact me.

CEEP Transport Task Force: Next meeting on 5 July 2017

Communication sent to members of the CEEP Transport Task Force (7/6/2017):

The **next meeting of the CEEP Transport Task Force will take place on 5 July 2017** at CEEP premises in Brussels.

The meeting is supposed to be held in the morning. As we are still waiting for the confirmation of possible guests from the European institutions, I would like to invite you to block the time between 9.00 am and 1.30 pm. I will come back to you with more details as soon as possible.

As usual, the meeting documents will be sent to you two weeks in advance of the meeting. Therefore, should you wish to bring forward issues for the draft agenda, please do not hesitate to contact me.
