

Local Authority	Total	Project Description
Bolsover	£265,032	Embedding Community Resilience Programme: A Partnership project seeking to address a wide range of issues and embed learning from Phase 1 CMF Building Resilience Programme by encouraging cohesion and integration amongst communities through community events, the development of service information 'welcoming' packs, the development of a Shirebrook Business Forum to support businesses and further enhancements at Rainbow Park to reduce anti-social behaviour. Reducing demands on primary schools through teaching assistant/family liaison at 3 schools with highest EAL numbers and improving housing and wider impacts through the development of a landlord's forum. The successful delivery of this programme will help the indigenous, Polish and Romanian communities in area to live and work cohesively. The aim for
Boston (on behalf of 7 Lincolnshire councils)	£234,325	Lincolnshire Support & Reconnection (LS&R): During 2017/18, 14% (57) of all verified rough sleepers in Lincolnshire were non-UK national; a new phenomenon for many of our communities alongside recent increases in population. There are currently no specific services designed to support reconnection back home (if this is wanted) or back into employment and accommodation. Many currently have no recourse to public funds which has resulted in some non-UK national rough sleepers sleeping on the streets of Lincolnshire for a number of years. The LS&R programme will provide specialist support to exit the streets into employment/accommodation or reconnect back home if they choose. The LS&R activity will support
Derbyshire County Council	£93,667	Supporting the community integration of Unaccompanied Asylum Seeking Children and Syrian Vulnerable Persons Resettlement scheme refugee families: Derbyshire wishes to support our children and young people (UASC & SVPR refugee families) to achieve the best outcomes. To achieve this the Council wants to improve the educational attainment of children and young people, support better community integration and ensure they have the necessary skills to make a positive contribution to their local community.
Leicester	£108,000	Offering English to Hard to Reach Migrant Groups in Leicester: Offering English to hard to reach migrant groups in Leicester through classroom based English language tuition in order to speed up their integration
Leicester	£10,000	Real English in Action: Offering English in real life situations to hard to reach migrant groups in Leicester. The project will result in improved employability, well-being and integration of migrants, resulting in better
Leicestershire (on behalf of East Midlands SMP)	£725,203	East Midlands UASC Foster Carer and Supported Lodgings Provider Recruitment and Support: The project will bring benefits to the wider community through providing more foster carers and supported lodgings for children in care. An increase across the region of in-house carers and providers will mean better outcomes for the most vulnerable children in our care, and savings for local authority children's services.

Lincoln	£235,899	<p>Sincil Bank Community Partnership - City of Lincoln Council: The majority of activity will focus on the Sincil Bank area of the city that falls within Park Ward.</p> <p>The Sincil Bank area of the city has changed dramatically over the last ten years and this injection of funding will support a range of activities under the following headings:</p> <ul style="list-style-type: none"> • English Language Support • Bringing Communities Together • Improving understanding of public services • Drawing out hidden talents. <p>This intensive activity will assist in bringing our communities together and delivering meaningful long lasting change in a priority neighbourhood in the city</p>
Lincolnshire	£33,699	<p>Grow and Share Project: Informal education allotment project bringing together children and families from migrant families and the wider community. The Project will enable families with common interests to come together to build positive relationships through healthy, outdoor activity, sharing ideas and resources with a tangible lasting benefit to all. The project will promoting interaction, develop learning and understanding of different cultures and promote positive community cohesion and integration.</p> <p>The project will work with migrant families to support integration by learning to grow their own fruit and vegetables on a shared allotment site with support centred on language, skills and working together in a healthy, productive way. We aim to share recipes and ideas and produce a community 'Grow It and Cook It'</p>
Lincolnshire	£75,553	<p>Little Talkers; Learning for Life: The project will deliver a communication focussed project, which is aimed at supporting communication development of children aged 0-5, alongside improving parents' English skills to enable them to support their children and access support services that they are entitled to as well as improve future.</p> <p>This project is a four pronged approach covering the following aspects-</p> <ul style="list-style-type: none"> • ESOL stepping stones delivery for parents alongside their children in community spaces • Dual language borrow bag resources • Translation support for settings, ESCO and health visitors • Translated welcome and information packs for families in 4 key languages

Lincolnshire	£55,647	Education and Employment support to care leavers who were former UASC: Lincolnshire County Council are looking to fund an UASC EET Co-ordinator to support UASC Care leavers to access sustainable education, employment or training. The role will replicate that of a Virtual School Worker for 18-21 year olds and would ensure all UASC care leavers had an PEEP (Education and Employment Plan). This would also serve as a pilot with a view to rolling out to all care leavers in the following years. The UASC EET Coordinator will work closely with stakeholders in the area to co-ordinate provision to ensure sufficiency and improved access for all young people in the community. Nationally, Care Leavers have poorer educational outcomes than their peers, but this trend is thankfully changing. This project will build on what is already working well in
Mansfield	£218,880	Mansfield Rogue Landlord Project: A proactive housing enforcement initiative, aimed at those landlords that exploit migrant tenants living in unsafe and overcrowded homes. The project aims to take targeted enforcement action to raise housing standards and management practices as well as providing advice to landlords and tenants on their rights and responsibilities regarding noise, ASB, right to rent and waste. Working in partnership with Nottinghamshire Police, Mansfield Community Safety Hub and the GLAA, the
South Kesteven	£31,320	Connecting Grantham: increasing English language provision and providing childcare support to enable those with young families to participate in classes. Supporting the increased use of English language and
