

New Degree Level Apprenticeship for EHP

Alan Whitfield

Academic Lead MSc Environmental Health

a.Whitfield@derby.ac.uk

READY FOR

A BETTER FUTURE?

Whether you're starting out, moving up or starting again

WE'RE READY WHEN YOU ARE ■

Presentation Content

- Background
- What is it?
- When and how will it be available?
- What is the Standard?
- What does it achieve?
- New CIEH Chartered Membership Scheme
- EHRB Certificate of Registration

Whether you're starting out, moving up or starting again

WE'RE READY WHEN YOU ARE ■

www.derby.ac.uk/online

Background

Current route to qualification:

- Accredited Degree
- Practical Food Inspection Examination
- Integrated Professional Assessment (IPA)
- Portfolio of Professional Practice (PPP)
- Professional Interview

Achieving EHRB is different to membership of CIEH

Issues:

- Lack of and limited student placement opportunities
- Too burdensome
- Small percentage of students complete PPP
- What is added value from EHRB?
- EHRB Registration to end 2020

Whether you're starting out, moving up or starting again

New Level 6 Apprenticeship for EHPs

- Apprenticeship Levy
- Employ student
- Employer led
- Partnership with education provider (University)
- Integrated Apprenticeship
 - End point assessment overseen by education provider
- Leads to membership of CIEH
- 20% of time at University/studying
- Four Year Programme

Whether you're starting out, moving up or starting again

WE'RE READY WHEN YOU ARE ■

www.derby.ac.uk/online

When and how will it be available?

- Standard is now approved and is published:

<https://haso.skillsforhealth.org.uk/standards/#standard-4170>

- Waiting for End Point assessment to be approved, then:
 - Universities can offer it – Sept 2019?
- Funding band to be confirmed
- Employer needs to identify partner education provider
- Variety of Delivery Methods:
 - Traditional day release
 - Block release
 - Online/blended
- Your chance to influence the education provider
- 20% of worktime given to study approx. 45 days a year

Whether you're starting out, moving up or starting again

WE'RE READY WHEN YOU ARE ■

www.derby.ac.uk/online

What is the Standard

- Created by employers based on:
 - Knowledge
 - Skills
 - Behaviours
- Academics are advisors only
- Content will be familiar
- End point assessment
 - Readiness determined by employer
 - 20% of funding for end point assessment

Whether you're starting out, moving up or starting again

WE'RE READY WHEN YOU ARE ■

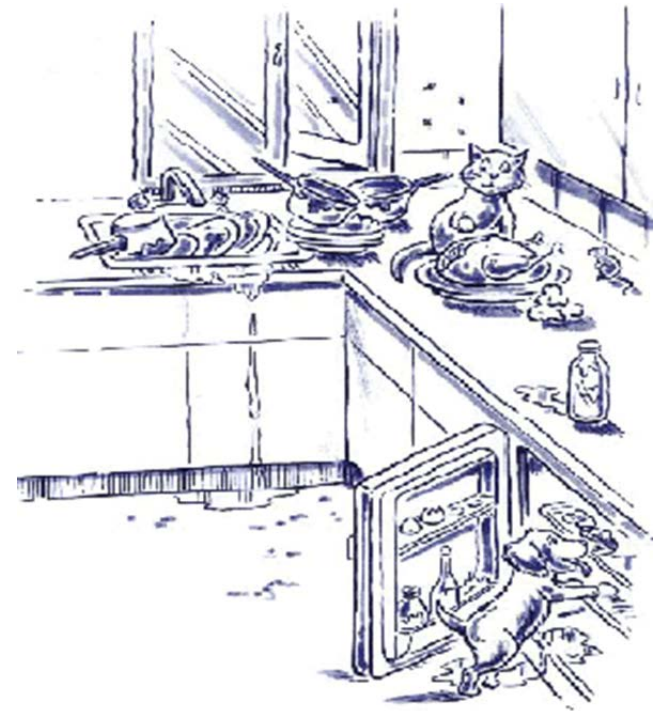

www.derby.ac.uk/online

What does it achieve

- Full Membership of CIEH
- Direct and immediate access to CIEH Chartered Status Scheme (Knowledge block achieved)
- Employment as an EHP?

BUT

- NOT regulatory food premises inspection

Whether you're starting out, moving up or starting again
